HELP SEND A FOSTER CHILD TO CAMP

The Joseph Toles Foundation® envisions a day when children from all walks of life, all creeds and colors and all economic backgrounds are encouraged and nurtured to discover their own potential and individuality. The mission of the Joseph Toles Foundation® is to provide support, leadership and social skills development workshops, retreats and camping experiences to children from all walks of life.

Please consider making a tax deductible donation where every penny of it will be spent on giving a foster child the opportunity to attend our camp. A donation of \$500 will send a foster child to camp for a full week. Any amount that you can give will be used directly to send a foster child to camp this summer.

We thank you in advance for your generous support of our foundation and its mission to help foster children lead a fulfilling life.
